

MAP NEW JERSEY!

**Calling on all New Jersey
middle and high school students:**

**Participate in a contest to map our state, using the
freely available platform, ArcGIS Online.**

**In cooperation with ESRI, the maker of ArcGIS Online,
we are offering cash prizes for some of the best story
maps produced by middle and high school students.**

**No mapping experience is necessary! Learn to make
online maps as you go.**

Essentials:

- 1. Schools must pre-register by March 22, [here](#)**
- 2. Students work singly or in pairs**
- 3. A free webinar—Introduction to Making a StoryMap—on Tuesday, February 26th.**
- 4. Maps are due May 1st.**
